Synopsis

Junpei Otonari is a high school student that's very popular with the three Hatsuharu sisters that live next door, and who he's grown up with. His parents suddenly get transferred, and he ends up living with the Hatsuharu sisters. Not only do they go to the same school, but now they're under the same roof. It's a great big struggle between the three sisters as they fight over him.

*
Characters Introduction

Minano Hatsuharu

The heroine of the story. She had her first sex with Junpei, her neighbor and childhood friend. She's also his homeroom teacher, and they were almost found out by the students once... ♥

Manamo Hatsuharu

The oldest of the three sisters, she's also the head teacher. She loves Junpei with the kindness of a mother. She had her first "back door" experience with Junpei.

Kohina Hatsuharu

The youngest sister, and Junpei's classmate. After accidentally spying Junpei and her two sisters making love, she harbored feelings of love for him, which were ultimately consummated.
